

Caring For Humanity One Soul At a Time

As-Salamu 'Alaykum My Dear Brother and Sister,

I pray that you continue to enjoy the special bounties of this noble month of Ramadan.

Thanks to friends like you, this was another successful year. We have been able to continue to provide the programs that you have grown accustomed to, but we still need your help.

Aside from our regular weekly classes (Islamic School, Saturday Mawlid and Thursday Halaqa), we have in recent years added the Message of Mercy TV program (Saturday 3:30pm on CTS Channel 9) and free online courses (www.sacredknowledge.ca) for students across Canada and throughout the world. The Message of Mercy TV program and the Sacred Knowledge online courses have allowed us to reach out and connect with those who would not normally have access to Islamic educational programs. With these new programs, we now have the ability to serve cities with a small Muslim population and rural areas throughout Canada.

But, in order for us to maintain these new programs and retain their high level of quality, we need your continued financial support. The Message of Mercy TV program costs us \$1000 weekly to tape, edit and air. The free online courses require web hosting fees and backend support. We have stretched your contribution just to keep the doors open at the Islamic Forum and we use what little is left over for our outreach efforts. This is why we are appealing to you to donate and allow us to continue providing these unique programs.

We ask you to take a share of \$1000. This can be paid in small amounts of \$50 or \$100 per month. Even this small amount will make the difference in allowing the Islamic Forum to continue to provide these programs. It is members like you who will help us to take the Islamic Forum to the next level.

Please take a moment right now and donate by clicking on the PayPal link below.

Jazakallah Khair,

Shaykh Faisal Abdur-Razak
President of the Islamic Forum of Canada

PS: As one of our strong supporters please make a donation so we can continue the Message of Mercy TV program (Saturday 3:30pm on CTS Channel 9).
